# WELCOME

*Καλώς Ἑρθατε!*

Thank you for joining us for the Fresno Greek Fest! This year, we have several new foods that we have been working to bring for many, many years. The Lamb Booth, featuring succulent open-face lamb sandwiches, is our biggest trial and we have limited legs of lamb. If it works out - we'll go really big next year! We have more beverages from Greece, and little surprises everywhere you look.

Along with our expanded shopping area, we are excited about our Greek Food Marketplace on the north side of the Church. Here, you can find a host of delicacies for you to take home, so you can enjoy Hellenic taste between festivals or your next trip to the motherland.

The Festival that you get to experience this weekend is the evolution of an event started by the St. George Community several generations ago. Countless people have contributed to the growth and fun of the Festival and we want to acknowledge all the volunteers who work long hours, full of fellowship and memories, in producing this one-of-a-kind Valley jewel. We dedicate this year's Festival to Penny Pacheco - for decades a mainstay for cooking and hospitality here at St. George, and especially for the Festival. Our beloved Penny got her well-deserved promotion to Heaven where her legendary love and kindness now have a much bigger audience. May her Memory Be Eternal.

On behalf of everyone here, Thank YOU for helping our Festival grow into the largest of its kind in California. Enjoy your time here at Fresno Greek Fest! We truly hope you find your time at St. George as enjoyable as hosting you is for us!

***Don't forget to save the date for next year's festival-  
September 18th, 19th and 20th, 2026!***

Καλή Ὁρεξη! (Kali Orexì)  
Bon Appétit,

**Peter Vallis**
